Construction Manager selected for City of Edmonton Metro Line Light Rail Transit (NAIT to Blatchford) Extension project

Sourcing Event Doc1969099577

**City of Edmonton – Metro Line Light Rail Transit (NAIT to Blatchford) Extension
April 20, 2020**

The City of Edmonton has selected PCL Construction Management Inc. to provide Construction Management services for the Metro Line Light Rail Transit (NAIT to Blatchford) Extension project.

The Request for Proposals (RFP) to provide Construction Management services for the project closed on October 30, 2019. The City of Edmonton's Evaluation Committee evaluated three shortlisted teams before selecting PCL Construction Management Inc. to deliver the project.

With the agreement finalized, PCL Construction Management Inc. is now providing preconstruction services to the City of Edmonton. Construction is scheduled to begin in summer 2020, with completion anticipated by 2024-25.

The COVID-19 situation continues to evolve and many businesses and industries are feeling its effect. We also recognize the current market conditions and labour force availability are challenging and some projects may experience schedule impacts. In the short term our projects are challenged by COVID-19, but we are currently working to keep the Metro NW LRT Expansion project moving forward as robust and healthy infrastructure is critical to a safe, stable and healthy Edmonton. We are continuing to work with all of our industry partners to understand those impacts and address them accordingly. We will continue to monitor this situation and will take our direction from Alberta's Chief Medical Officer of Health in an effort to contain the spread of COVID-19. These are challenging times; we are committed to working with our industry partners to address this challenge together.
